

ADMINISTRATIVE BODIES OF THE UNIVERSITY

Jahrom University of Medical Sciences (JUMS) is administered by a number of vice-chancelleries and boards that work under the supervision of the Chancellor. These bodies make the following list:

DR. ABAZAR ROUSTAZADEH

Assistant Professor of Clinical Biochemistry

Hon'ble VC for Education

E-mail: Roustazadeh@jums.ac.ir

Mission and Objectives

The main objective of this chancellery is to supply the needs of the society for qualified human resources in the field of health care and medical treatment. For this purpose, the chancellery has undertaken to recruit and train competent academic staff and personnel, promote their knowledge and skills through scientific methods, and educate students in different educational fields.

VICE-CHANCELLERY FOR DEVELOPMENT & RESOURCE MANAGEMENT

DR. MEHDI MOSALLANEZHAD

Hon'ble VC for Development & Resource Management Affairs

E-mail: mosallanezhad@jums.ac.ir

Missions and Objectives

This chancellery is mainly responsible for the finance and strategic management of the university. Other areas of activity of this office include human resource development, systems planning, health care service development, and the expansion of infra structures for information technology.

VICE-CHANCELLERY FOR TREATMENT

DR. GHAHRAMAN BAMANA

Hon'ble VC for Treatment

E-mail:

bamana@jums.ac.ir

Missions and Objectives

This chancellery's main concern is to identify local medical problems and issues, endemic or epidemic. Medical education programs, and health centers and facilities are also planned, implemented and supervised by this chancellery.

VICE-CHANCELLERY FOR FOOD AND DRUG

DR. A. NIKOOSIAR

Hon'ble VC for FOOD AND DRUG

E-mail: h_nikoosiar@yahoo.com

Missions and Objectives

The area of undertakings of this chancellery incorporates the surveillance, control and documentation of rules and regulations related to food, drug and cosmetic products. This office scrutinizes the processes of preparation, storage, distribution, safety, and consumption of the mentioned materials.

**VICE-CHANCELLERY FOR STUDENTS'
WELFARE AND CULTURAL AFFAIRS**

Prof. ZEINOLABEDIN DASTDADEH

Hon'ble VC for Students' Welfare and Cultural Affairs

E-mail: Dastdadeh@jums.ac.ir

Missions and Objectives

The main responsibility of this chancellery is dealing with students' problems. Making policies for the wellbeing of students, such as services and supports are parts of activities of this chancellery. This unit provides accommodation, tours, entertainment, cultural and sports programs for the students and personnel of the university.

VICE-CHANCELLERY FOR HEALTH

Dr. SEYYED MAJID ARJOMAND

Hon'ble VC for Health

E-mail: Majarj@gmail.com

Missions and Objectives

This chancellery is often involved in identifying health problems at individual and public levels. In doing so, certain activities such as, the implementation of national health policies, the surveillance of epidemics and endemics, and providing the people with health facilities are supposed to combine partial duties of this university organ.

BOARD OF TRUSTEES

Missions and Objectives

Members of this board combine an important administrative body of the university. They report their views on strategic policies of the university to the chancellor and help him make decisions. They work under the supervision of the chancellor.
