

EDUCATION DEVELOPMENT CENTER (EDC)

Being a department of Vice-chancellery for Education, EDC is responsible for a number of activities including the promotion of scientific abilities of professors and students, in service training for the university staff, evaluation of teaching programmes and faculties, Centre for Clinical Skills, Committee on Talented Students, Committee on Scientific Olympiads, etc. However, the most important mission of EDC can be explained in terms of the articulation and monitoring of medical standards.

Dr. L. Mosalanezhad, Head of EDC
